IN RE: Request of Palmetto Utilities, Inc. for)	ORDER
Approval of a Sewer Main Extension)	APPROVING
Agreement Between Palmetto Utilities, Inc.)	CONTRACT
and Alan B. Kahn.)	

This matter comes before the Public Service Commission of South Carolina on the request of Palmetto Utilities, Inc. (Palmetto or the Company) seeking approval of a sewer main extension agreement between Palmetto and Alan B. Kahn. The agreement is filed pursuant to 26 S.C. Code Ann. Regs. 103-541 (Supp. 2000).

This regulation requires a utility to seek Commission approval prior to entering into any agreement which would impact, pertain to, or affect said utility's fitness, willingness, or ability to provide sewer service. Clearly, the agreement before the Commission meets this category.

We have examined the agreement in its entirety, and note that the proposed extension of the sewer main is within Palmetto's approved territory, and the agreement is in the public interest. Accordingly, it is hereby approved as filed.

This Order shall remain in full force and effect until further Order of the Commission.
